

# Look At Me

Geri Halliwell

Good looking, bad tasting  
Full bodied, butt wasted  
Loose living, tight fitting  
What you see ain't what you are getting  
Big make up, little break up  
She wants it, he's got it  
Cold blooded, hot gossip  
Superficial expectations  
Look at me, you can take it all  
Because this face is free  
Maybe next time use your eyes and look at me  
I'm a drama queen if that's your thing  
Baby, I can even do reality  
Fake honey, real plastic  
Stupid cupid, fantastic  
Queer thinking, straight talking  
What you see ain't what you are getting  
Fast loving, slow moving  
No rhythm but I'm grooving  
Old feeling, new beginning  
Superficial expectations  
Look at me, you can take it all  
  
Because this face is free  
Maybe next time use your eyes and look at me  
I'm a drama queen if that's your thing  
Baby, I can even do reality  
That's me  
Ha, ha, ha, ha  
Sometimes I don't recognize my own face  
I look inside my eyes and find disgrace  
My little white lies tell a story  
I see it all, it has no glory  
Look at me, you can take it all  
Because this face is free  
Maybe next time use your eyes and look at me  
I'm a drama queen if that's your thing  
Baby, I can even do reality  
Come on and look at me

This face is free, I'm your fantasy  
So who'd you wanna be, not what you see  
I'm a drama queen if that's your thing  
Come on and look at me, I'm your fantasy  
This face is free
