I Stand For You

Nick Carter

I'm gonna run forever, say whatever
Take a chance in what I believe in
I'm gonna have a tattoo, I'm gonna have an attitude
So tell my girlfriend that I'm leaving
'Cause I'm free, yeah, to say what I wanna say
And I'm feeling that it's time to get away
Whoa, whoa, we can live forever if we try
It's up to you
Yeah, yeah and nothing's gonna stop us now
We're young, I stand for you
See I'm a taker, I'm not a beggar
I'm tired of losing, I'm gonna lose it
I wanna ride a Harley, oh, on the highway
Gonna do it my way, gonna do it my way
'Cause I'm free, yeah, to say what I wanna say
And I'm feeling that it's time to get away
Whoa, whoa, we can live forever if we try
It's up to you, yeah you
Yeah, yeah and nothing's gonna stop us now
We're young, I stand for you, ohh, oh, yeah
Pressure in the air, in my hair, people everywhere
Politics don't care, need to ease my mind
Try to find a way, better day but it's time to get away
Don't you care?
Whoa, whoa, we can live forever if we try
It's up to you, yeah you
Yeah, yeah and nothing's gonna stop us now
We're young, I stand for you, whoa yeah
Whoa, whoa, we can live forever if we try
It's up to you
Yeah, yeah, nothing's gonna stop us now
We're young, I stand for you
Whoa, whoa, we can live forever if we try
It's up to you
Yeah, yeah, nothing's gonna stop us now
