Put Your Hands Up

Nadine Coyle

(Uh, uh, uuuuhhh x3)
Hello, there's something that you wanna tell me
And I know, you always look at me so naughty
Don't go, cause I'ma gonna keep you company
We'll be, the masterpieceStop me boy you can't keep up
Move along, don't hurt yourself
I'll be kind to you-oo-oo-ooWe feel our best
And I'm done with stress
Let's get together...
Put your hands up
Put your, put your hands up
Put your hands up
Put your, put your hands up
We're in it for life
So I'm saying this twice
Let's get together...
Put your hands up
Put your, put your hands up
Put your hands up
Put your, put your hands upYou're alright
I hold you close when we're up dancin'
I'm surprised
You didn't think that you could trust me
Just hold tight
And let the movement take over ya
So-oh-oh, so-oh-ohDon't stop me boy you can't keep up
Just move along, don't hurt yourself
I'll be kind to you-ooo-ooo
(I'll be ki-i-i-i-i-i-i-i-i-iiiiiiiiind)We feel our best
And I'm done with stress
Let's get together...
Put your hands up
Put your, put your hands up
Put your hands up
Put your, put your hands up
We're in it for life
So I'm saying this twice
Let's get together...
Put your hands up

Put your, put your hands up
Put your hands up
Put your, put your hands upAh.....
Ah.....We feel our best
And I'm done with stress
Let's get together...
Put your hands up
Put your, put your hands up
Put your hands up
Put your, put your hands up
We're in it for life
So I'm saying this twice
Let's get together...
Put your hands up
Put your, put your hands up
Put your hands up
Put your, put your hands up(Oh-oh-oh)
(Oh-oh-oh)
