Run Away

Matvey Emerson

Tell me (x4)

How I really feel inside,
Would you know how I really feel inside,
Run away and hide,

How I really feel inside, Run away and hide (x3)

Tell me,
Would you run away?
Huh
Tell me,
Huh
Would you run away?

Tell me,
Huh
How I really feel inside,

Would you know how I really feel inside?
Run away and hide

How I really feel inside, Run away and hide (x6)

Tell me,
Would you run away?
Huh
Tell me,
Huh
Would you run away?
Tell me,
Huh
How I really feel inside,

Would you know how I really feel inside,
Tell me,
Run away and hide,
Would you know how I really feel inside,
Tell me
Run away and hide

Tell me,
How I really feel inside
Would you run away and hide?
Tell me,
How I really feel inside
Run away and hide
Would you?

Tell me (x2)

How I really feel inside,
Would you?

Tell me (x2)

How I really feel inside,
Would you?
