Come Back to Me

DJ Sancho

i never thought i would be able to find the words but now its too late your already gone

please come back to me bby i wanna make up for everything please find your way on my lonely road to come back home to me please come back to me

its about three in the morning and i cant go to sleep my nights are soo lonely that your not with me i look out of my window and i see the fallin star and im wishing that one day ill find where you are every day that i live i wonder where you could be maybe if i told you how i really felt then maybe you would see that i want you back in my life that it hurts we can forget about the past and make it work how could i let my angel slip away from my side i didnt even realize what i had and now i cry im screaming i love you and its to late to tell you how much i was down

please come back to me bby i wanna make up for everything please find your way on my lonely road to come back home to me please come back to me

maybe it wuz something that i said that drove you away you didnt even give me a chance to hear what i had to say i kno i wasnt perfect but who in this world is and everythng and now you treat me like dis do you want me to move on thats all i wanna know but even with that its gonna be hard to let you go cuz this is now and im a new man i need you in my life so my heart can beat again i carry a smile on my face when im trembling inside your the only one i love for the rest of my life so find your way down my lonely road and please bby yeah come back home

please come back to me bby i wanna make up for everything please find your way on my lonely road to come back home to me please come back to me

i feel like a lost soul in this world of love cuz the more i try the more i wanna give up i count the days that go buy as my heart turns blue my insides are torn apart thinkin about you more was it wrong to kiss you with my eyes shut so tight was i wrong to think that being with you felt so right please come back to me so that i can know what to do with my life i just need to know dime

please come back to me bby i wanna make up for everything please find your way on my lonely road to come back home to me please come back to me

i wish how much i miss you bby mi amored extrano
