I Wonâ€™t Say Goodbye

Failure Anthem

I've been hung in disbelief, memories are all I need
Maybe I'm naive but life without you, isn't much for me
Since you left me, I've been left to my devices
I welcome darkness like a mad man dyingYou'll never die if I don't say goodbye
Suddenly, everything is changing
I'm so alone (don't go), I won't say goodbye
Will you live forever and fly
Hold on, don't go
I won't say goodbyeI'm too lost within my dreams, this is all, too much for me
Maybe there's a plan, but I'm a sad sad excuse for romance
Since you left me I've been drowning in the shadows
I welcome darkness with an broken arrow
You'll never die if I don't say goodbye
Suddenly, everything is changing
I'm so alone (don't go), I won't say goodbye
Will you live forever and fly
Hold on, don't go
I won't say goodbyeIf you have to leave, will you bring me along
One more day cause I don't want you to go
If you have to leave, promise me one day
I see you again, somehow, somewhereYou'll never die if I don't say goodbye
I'll sell my soul to bring you back to life
You'll never die if I don't say goodbye
I'll sell my soul (I'll sell my soul)
Suddenly, everything is changing
I'm so alone (don't go), I won't say goodbye
Will you live forever and fly
Hold on, don't go
I won't say goodbye
I won't say goodbye
I won't say goodbye
