Touch Me (Massappeals Bootleg Remix)

Rui Da Silva

You'll always be my baby
I'm always thinking of you baby
Yeah, yeahTouch me in the morning
And last thing at night
Keep my body warm baby,
You know it feels right
Take a little higher, I'm thinking it too (too)
Tell me what you're feeling
I'll feel it with youWe can only understand what we are shown
How was I supposed to know my love would grow?Move a little closer
Be sure I'll pick it up
Hit me with your lovin'
I need you so much
I need you so much
I need you so much
(Touch me, in the morning)Hey yeah, oh, ohWe can only understand what we are shown
How was I supposed to know our love would grow?You touch my mind in special places
My heart races with you
I'll take your love, and I'll take my chances
I'll take them with youWe can only understand what we are shown
How was I supposed to know our love would grow?You touch my mind in special places
My heart races with you
