

# There's a Lull In My Life

**Nat King Cole**

Oh, there's a lull in my life  
It's just a void and empty space  
When you are not in my embrace  
Oh, there's a lull In my life  
The moment that you go away  
There is no night, there is no day  
The clock stops ticking  
The world stops turning  
Everything stops but the flame in my heart  
That keeps burning, burning  
Oh, oh, oh  
There's a lull In my life  
No matter how I may pretend  
I know that you alone can end
