Lay Me Down

India Carney

Yes I do, I believe
That one day I will be, where I was
Right there, right next to you
And it's hard, the days just seem so dark
The moon, and the stars, are nothing without you
Your touch, your skin, where do I begin?
No words can explain, the way I'm missing you
The night, this emptiness, this hole that I'm inside
These tears, they tell their own storyYou told me not to cry when you were gone
But the feeling's overwhelming, it's much too strong
Can I lay by your side, next to you, you
And make sure you're alright
I'll take care of you
And I don't want to be here if I can't be with you tonightI'm reaching out to you
Can you hear my call? (Who's to say you won't hear me?)
This hurt that I've been through
I'm missing you, missing you like crazyYou told me not to cry when you were gone
But the feeling's overwhelming, it's much too strong
Can I lay by your side, next to you, you
And make sure you're alright
I'll take care of you
And I don't wanna be here if I can't be with you tonight
