Jackie Was a Junkie

One Way System

She gets it off him, she gets it off her,
Jackie will look for it everywhere,
She tried it once now it's her life,
She smiles when it's there but pays the price.There's a panic in needle park,
Jackie's getting out in the dark,
There's a panic in needle park,
Jackie' freaked out in the dark.
Her arm is scarred veins blue and red,
Her mind has blown, Her brain is dead,
She goes to her heaven in the day,
Then goes to hell when it's time to pay.
Jackie see's things in her head,
Jackie's no one her vein is so red,
She wanted one more story to tell,
There's no more time, one foot in hell.
