Ghetto

East 17

my life's a mess
full of stress
save me
ghetto love thang
makes my heart swing
ghetto booty come on
ghetto love thang
makes my heart swing
ghetto booty come on
from the streets
a ghetto booty
she is seen
around the way
little cutey
a body so fine
got me feeling
I love it
I know if you've gave me the time
we could be together like
the rhythm and rhyme
limb and lime
the body the booby the legs so fine
you've got me full of vains
when I'm lookin' at ya
I'm keepin' it down
such a strange
like a booty's nature
lips are good to suck a thence
my life a whole is by
so if I tell ya that I love ya
maybe just might
you give it a felling baby
my god it drives me crazy
my life's a mess
full of stress
save me
ghetto love thang
makes my heart swing
ghetto booty come on

ghetto love thang
makes my heart swing
ghetto booty come on
ghetto booty come on
she's my lover
and she's my friend
I want to be with her
until the very end
'cause my life
was filled with emptiness
she brings me joy
let me do the rest
I know if you've gave me the time
we could be together like
the rhythm and rhyme
limb and lime
the body the booby the legs so fine
you've got me full of vains
when I'm lookin' at ya
I'm keepin' it down
such a strange
like a booty's nature
lips are good to suck a thence
my life a whole is by
so if I tell ya that I love ya
maybe just might
you give it a felling baby
my god it drives me crazy
my life's a mess
full of stress
full of stress

makes my heart swing
ghetto love thang
makes my heart swing
ghetto booty come on
ghetto booty come on
ghetto booty come on
ghetto booty come on
ghetto booty come on
