Plain Gold Ring - Live

Kimbra

Plain gold ring on his finger he wore
It was where everyone could see
He belonged to someone, but not me
On his hand was a plain gold ring

Plain gold ring had a story to tell
It was one that I knew too well
And in my heart it will never be spring
Long as he wears that plain gold ring

When nighttime comes calling on me
I know why I'll never be free
I can't stop these teardrops of mine
I'm gonna love him till the end of time

Plain gold ring has but one thing to say
I'll remember till my dying days
In my heart it will never be spring
Long as he wears that plain gold ring

Plain gold ring on his finger he wore
Plain gold ring on his finger he wore
Plain gold ring on his finger he wore
Plain gold ring on his finger he wore
