## Geri Halliwell

I 'm a sure-fire pussy cat  
I ain 't gonna tell you that  
I 'm giving myself away  
You 're a real catch that 's a fact  
I am gonna tell you that  
Baby I want you to stay My fever 's high your tide is low  
Just don 't forget to love me  
No no no no Whatever you sold me  
Whatever you feed me  
It 's taking me over and over  
I 'm the cat that can fight it  
Whenever I need it  
Your kiss kills me with, desire Young gun you 're the one  
Lift me up and take me on  
Just like you did in my dream  
Sweet man I know you can  
But I would never tell you that  
Baby I 'm diggin ' your scene My fever 's high let 's roll the dice  
But don 't forget I love you  
No no no no Whatever you sold me  
Whatever you feed me  
It 's taking me over and over  
I 'm the cat that can fight it  
Whenever I need it  
Your kiss kills me with You 're contagious, I 'm confusing  
We can take this anywhere we like it  
You 're amazing, so amusing  
Your kiss kills me with desire Whatever you sold me  
Whatever you feed me  
It 's taking me over and over  
I 'm the cat that can fight it  
Whenever I need it  
Your kiss kills me with, desire
