Lullaby

Black Rebel Motorcycle Club

You are the sun to the earth
You are the light of this world
Won't you see
Why won't you see
You are an arm I cant reach
You are the words I can't speak
Won't you say
Why wont you say

I will walk till I've no shadow
I will walk till I've no shadow

You twist the light in your hands
Losing thoughts so you move you can't give
Reasons fall from every storm that you lived
We move through the dark, helpless

You are the quiet in my soul
You are the pieces of gold
Won't you shine
Why won't you shine

I will walk till I've no shadow
I will walk till I've no shadow
I will walk till I've no shadow
