Freefall

Motor Ace

I won't breathe, if you won't talk
Lose myself in the moment love
I've been trying to dig deep
But everything you've said rings cheap
Yeah... selling a feelingUndertake
Your reasons aren't mine
Winning but you stole your best line
I'm not envious
I'm not envious
Never sell cause you've got style
Watered down, you feel it now
I'm not trying to be deep
Remember that your music speaks, yeah
Cause we're feeling, yeahUndertake
Your reasons aren't mine
Winning but you stole your best line
I'm not envious
I'm not envious
I'm not envious
(Your reasons aren't mine)
I'm not envious
(You stole your best line)
I'm not envious,
I'm not envious
