Now That She's Gone

JJ Lin [æž—ä¿Šæ•°]

Now that she's gone, you wanna come back
Is that a fact?
You've got it like that
You've made me wait too long, I'm gone
Now that she's gone, you wanna come back
Is that a fact?
You've got it like that
You've made me wait too long, I'm gone
Take her to the movies, dinner all the time
Shopping sprees for her, on me you never spent a dime
But I was there for you when you had nothing at all
Then you got a little job and she's the one you call and
Now that she's gone, you wanna come back
Is that a fact?
You've got it like that
You've made me wait too long, I'm gone
Now that she's gone, you wanna come back
Is that a fact?
You've got it like that
You've made me wait too long, I'm gone
You've taken me for granted but you only get one chance
Then you left me hurting and it won't happen again, no
So she finally left you, it ain't no surprise
That you missed your water 'cause your well went dry, oh
Now that she's gone, you wanna come back
Is that a fact?

You've got it like that
You've made me wait too long, I'm gone
Now that she's gone, you wanna come back
Is that a fact?
You've got it like that
You've made me wait too long, I'm gone
Understand, I understand, why you think I want you back
After what you did to me, did you think you blinded me?
Boy you know whatever you do it will all come back to you
'Cause you tried to play me like a fool
Understand, I understand, why you think I want you back
After what you did to me, did you think you blinded me?

Boy you know whatever you do it will all come back to you
Now that she's gone
Come back
Got it like that
You've made me wait too long, I'm gone
Now that she's gone
She's gone
Come back
You've made me wait too long, I'm gone
Now that she's gone, you wanna come back
Is that a fact?
You've got it like that
You've made me wait too long, I'm gone
