Highways Of Love

Johnny O

Can't you see my rhythms deep inside
Singing the songs of love and pride making me want you
The way that I feel real in my mind, its so good
Loving me, loving you can't you see that's love that's trueChorus:
Jump into the highways of my heart girl
Can't you see the --- love is everywhere
Don't you know baby girl that I love you
With my heart and I careIn my mind I can see you and I
Showing me, loving me as time just goes on by
Making me love you the way that I know its real
Can't I prove my love to you, show you that my loves realChorus (2x)Highways of love are here deep inside
Showing you the road of love is what I'm asking for
I can't take this no more can't you see I adore
All that you offer to me, I love you more and moreChorus (2x)
