Down And Out Of Time

Sixpence None The Richer

I dreamt of something last night in my sleep I saw you sitting in a room without me You were smiling and you had a tattoo I'm me, in a room without you I aim my cannon at you ready or not You're gonna feel my pain, like it or not You've got your debts to pay and you are one of mine You're down and out of time Then, there is something I wanted to say A simple rhythm I forgot how to play I wanna tell you that I've called off the dogs Your mystery is not worth being solved I aim my cannon at you ready or not You're gonna feel my pain, like it or not You've got your debts to pay and you are one of mine You're down and out of time I aim my cannon at you ready or not You're gonna feel my pain, like it or not You've got your debts to pay and you are one of mine You're down and out of time I wanna tell you that I've galled off the dough Your mystery is not worth being solved
