Danny's Song

Tift Merritt

People smile and tell me I'm the lucky one
That we've just begun, I think I'm gonna have a son
He will be like you and me, free as a dove
Conceived in love, sun is gonna shine aboveEven though we ain't got money
I'm so in love with you, honey
Everything will bring a chain of loveIn the morning when I rise
Bring a tear of joy to my eyes
Tell me everything is gonna be alrightLove a guy who holds the world in a paper cup
Drink it up, love him and he'll bring you luck
If you find he helps your mind, better take him home
Don't you try to live alone, try to earn what lovers ownAnd even though we ain't got money
I'm so in love with you, honey
Everything will bring a chain of loveIn the morning when I rise
Bring a tear of joy to my eyes
Tell me everything is gonna be alright
