Say Maybe

Neil Diamond

Why make me plead
For what I need
And I need youWhy, why make me weep
Cry in my sleep
Cause I need youSay maybe
Won't you even say sometime, baby
Won't you say lovin' words againSay baby
Don't you know I'm a fool about you
If I tried, I could live without you
For maybe a day (maybe a day)I, I've been around
Finally found
And I need youAnd I, I know what I got
And I got a lot
But baby I need you
