Incarnation Of Evil

Dies Irae

You pray, you kneel
You worship
For thousands years
You sacrificeI am the holy son
Created from the chaos
As the god of the race
Of human rats
As the heir of evil
I rule on earthYou pray, my will
You sacrifice
My will, my vanityAll energy and faith
All hassle and pain
Gaol in the garden
Legacy of sin, radiant sign
Of incarnated evilYou pray, my will
You sacrifice
My will, my vanityToppled sculpture
The godhead in ruins
Outflow of goodness
As my reprisal
Ruthless I am
And incarnation of evil
