All Hail Shadow

Crush 40

(Chorus)
All hail Shadow
Heroes rise again
Obliterating everything that's not your friend
Nothing can stop you now
No ghosts to bring you down
When there's nothing left to lose you win
Bow your heads low
All hail Shadow
Bow your heads low
All hail Shadow
Verse 1
Suffer long and it will set you free
Only through trial do we find the strength we need
It's never over, just another day

Of hope and tragedies and everything that comes our way
Determination of the strong
Found the meaning that you searched for so long
Chorus
Verse 2
Somewhere in chaos we all find ourselves
This destruction is the only tale we tell
White is black and black is white
Right is wrong and wrong is right
Nothing ever fills this hole inside your heart
Determination of the strong
Found the meaning that you searched for so long
Chorus x2
