Say Won't You Say

Jennifer Knapp

Oh say, won't you say?
Say that you love me
With love ever love, love everlasting
All my devotion put into motion by youEvery mornin' I
Have the chance to rise
And give my all
Every afternoon I find
I have only wasted time
In light of your aweIsn't love amazing?
I forgot how to speak
Knowin' you are near and
I am finally freeOh say, won't you say?
Say that you love me
With love ever love, love everlasting
All my devotion put into motion by youMy eyes fear to close
This reckless letting go
Is hard to bear
On the edge of all I need
Still I cling to what I see
And what have I there?I bred my own disaster
Who have I to blame?
When all I need is waiting
To be fanned to flameOh say, won't you say?
Say that you love me
With love ever love, love everlasting
All my devotion put into motion by you
By you yeah yeahI open up my eyes to see you standing there
Oh, I can barely breathe
I can hardly bear all the love
That I feel for you inside
I hope you feel it now
Some, somehowOh say, won't you say?
Say that you love me
With love ever love, love everlasting
All my devotion put into motion by you
By you, yeah yeah yeah yeahOh say, won't you say?
Say that you love me
With love ever love, love everlasting
All my devotion put into motion by you

By you, yeah yeah yeah yeah
