Stunnas

Jagged Edge

Stunna shades, fluid in my kup
We up in da klub, we gon' tear it up
Stunna shades, fluid in my kup
We up in da klub, we gon' tear it up
Stunnas on
Stunnas on
Stunnas on
Stunnas on, got my stunnaz on
Stunnas on
Stunnas on
Stunnas on
Stunnas on, got my stunnaz on
Now middle of the day grippin' 12 o'clock at night
You'll neva catch me without my stunnas on
I be on dat green, I be cheifen mean forgot my visine
But I got my stunnas on
They don't wanna let me in da klub wit' 'em on
Say I'm lookin' like a thug wit' 'em on
I take 'em off I get in and put 'em right back on
You'll neva catch yo boy without his stunnas on
Big whips or rocks we gon' get 'em
Loose lips ain't leavin' out now we wit' 'em
Any top notch dyme in ya city we wit' 'em
Don't stop late night till da morn keep da stunnas on
If its fly or flashy, yes, we wit' it
Got kicks so quick da first to go get it
Before you approach dat dyme prolly already hit it
Don't waist time steady on my grind wit' ma stunnas on
Now we sailin' in da mall homie ice got it all
Know I be doin' it wit' my stunnas on
Catch me on da ase hand up on da dash
Hands be turnin' so fast who's dat wit' dem stunnas on
My eyes tinted got a lean in da lac
Let a nigga look G in da lac
I'm a boss deez cost runnin' to bring i know
Told ya neva catch yo boi without his stunnas on
Like this big whips or rocks we gon' get 'em
Loose lips ain't leavin' out now we wit' 'em
Any top notch dyme in ya city we wit' 'em

Don't stop late night till da morn keep da stunnas on
If its fly or flashy, yes, we wit' it
Got kicks so quick, da first to go get it
Before you approach dat dyme prolly already hit it
Don't waist time steady on my grind wit' ma stunnas on
I got my stunnas on Cartier made
Wood grain frame wit' my name in da shades
And when I wanna switch it up, I put dem Garda D's on
Same stunnas wood gon', now dey all chrome
I read in 'em, beat in 'em, eat in 'em
Shorty say she love it so she let a niggaz beat in 'em
It's a important part of my attire apart of my fresh
I can't leave home without 'em like my Amerikan Express
I'm from da a where it's mandatory gotta ride some
Hit da mall mann, erry'day buy some
Da bigger, da better, da harder to stunt
He ain't doin' it like me baby tell 'em stop frontin'
Like this big whips or rocks we gon' get 'em
Loose lips ain't leavin' out now we wit' 'em
Any top notch dyme in ya city we wit' 'em
Don't stop late night till da morn keep da stunnas on
If its fly or flashy, yes, we wit' it
Got kicks so quick da first to go get it
Before you approach dat dyme prolly already hit it
Don't waist time steady on my grind wit' ma stunnas on
Soon as we walk in, watch yo' chick
'Cause you know yo' chick is gonna watch me
Bet she gonna like what she see
'Cause I always got my stunnas on
Soon as we walk in, watch yo' chick
'Cause you know yo' chick is gonna watch me
Bet she gonna like what she see
'Cause I always got my stunnas on
Stunnas on
Stunnas on
Stunnas on
Stunnas on, got my stunnaz on
Stunnas on
Stunnas on
Stunnas on
Stunnas on, got my stunnaz on
Stunnas on
Stunnas on
