

# The Flood

## Take That

Standing  
On the edge of forever  
At the start of whatever  
Shouting love at the world Back then  
We were like cavemen  
But we mapped the moon and the stars  
Then we forgave them We will meet you where the lights are  
The defenders of the faith we are  
When the thunder turns around  
They'll run so hard we'll tear the ground away You know no one dies  
In these love-drowned eyes  
Through our love-drowned eyes  
We'll watch you sleep tonight Although no one understood, we were holding back the flood  
Learning how to dance the rain  
We were holding back the flood  
They said we'd never dance again Bleeding  
But none of us leaving  
Watch your mouth, son  
Or you'll find yourself floating home Here we come now on a dark star  
Seeing demons, not what we are  
Tiny minds and eager hands  
Will try to strike but now will end today There's progress now  
Where there once was none  
Where there once was, ah  
Then everything came along Although no one understood, we were holding back the flood  
Learning how to dance the rain  
There was more of them than us  
Now they'll never dance again Although no one understood there was more of them than us  
Learning how to dance the rain  
We were holding back the flood  
They said we'd never dance again We will meet you where the lights are  
The defenders of the faith we are  
When the thunder turns around  
They'll run so hard we'll tear the ground away Although no one understood there was more of them than us  
Learning how to dance the rain  
There was more of them than us  
Now they'll never dance again Now we'll never dance again
