No Substitute Love

Estelle

You know who it is
Oh boy, oh boy, I'm not your substitute lover, oh no
Said boy, oh boy, I'm not your substitute lover, oh noI know it would have been nice if I could have had your body
Knowing that everybody ain't been with you
But you told me lies you made me give my heart away
But now I know the games you play so I'm through with youOh boy, oh boy, I'm not your substitute lover, oh no
Said boy, oh boy, I'm not your substitute lover, oh noYou know there's gonna be a fight if these chicks keep calling you at night
I seen that text your tryin' to hide see I know the truth
Must be outta your mind, you thought you'd never see the day
You thought I'd let a player play but I'ma upgrade you, listen boyOh boy, oh boy, I'm not your substitute lover, oh no
Said boy, oh boy, I'm not your substitute lover, oh noSee there's not much you can say
He said he's done changed and I finished today
'Cause I can't do it no more, I won't be there when you call
So you besta move on, move on
'Cause I couldn't be your, your substitute no moreListen I see you called my name like I'm going outta fashion
And turn around and act like nutting ain't happen
Like nar nuttins crackin'Only when you need a chick
Only when you think about dis hotness you get itch
That's when you get the itch, baby, let me be a bitch
Boy, who you think you is bad gal nar tek disActin' like a little boy play me like a decoy
You need to grow a couple boy
You ain't 'bout nuttin', boyOh boy, oh boy, I'm not your substitute lover, oh no
Said boy, oh boy, I'm not your substitute lover, oh noOh boy, oh boy, I'm not your substitute lover, oh no
Said boy, oh boy, I'm not your substitute lover, oh no
