We're My Otp

Troye Sivan

Valentines day is creeping up on me
Still staring at you on my computer screen
Writing a fanfic in the middle of the night cause
This will bring us closer right?
You've never met them the peasant cried
Shut the fuck up bitch do you want to die?
And I've told you before are you deaf
I've fallen in love with a gifOtp, we're my otp
Baby you and me
We'd be so sexy oh
Otp, we're my otp
Baby you and me
We'd be so sexy ohBieber Fever , One Direction Infection
Whatever floats your boat
What's your addiction
You tumblr you make it so much worse
You make me feel the feels right where it hurts
I love you always I love you 5eva
I love you as much as I love nutella
AlmostOtp, we're my otp
Baby you and me
We'd be so sexy oh x4(spoken) No literally the only thing that's stopping us from getting married is the fact that we haven't 'met yet'
