The New Pornographers

(Verse)
Someone said what happened on the weekend,
Someone said how Ashley broke his arm.
Someone said what happened on the weekend,
Someone said how Ashley broke her arm.(Chorus)
And in the ambulance I couldnt feel my face,
And at the hospital I couldnt stay awake.(Verse)
Samuel said what happened on the West coast,
Samuel told how Ashley broke her arm.
Samuel said what happened on the West coast,
Samuel told how Ashley broke his arm.(Chorus)
And in the ambulance I couldnt feel my face,
And at the hospital I couldnt stay awake.
And in the ambulance I couldnt feel my face,
And at the hospital I couldnt stay awake.(Chorus)
And in the ambulance I couldnt feel my face,
And at the hospital I couldnt stay awake.
And in the ambulance I couldnt feel my face,
And at the hospital I couldnt stay awake.
