Coeur D'alene

Alter Bridge

When all the lights have faded
The encore's come and gone
And I can't take this no more
Well I can't keep pretending
I just can't play the part
I need the solace of her shore
I need the solace of her shore
Coeur d'Alene is calling out
And it won't be long
Coeur d'Alene I'm coming now
Where I still belong
I look into the mirror
I don't know who I am
The lives are torn apart

I still long for the simple
I'm just a common man
And with this aching heart
Coeur d'Alene is calling out
And it won't be long
Coeur d'Alene I'm coming now
Where I still belong
Safe at last in your arms
I'm safe at last in your arms
Coeur d'Alene is calling out
Where the water's calm
Coeur d'Alene I'm coming now
And it won't be long
