

# Every Lil' Thing

Ashanti

[Chorus]

I want everything you got for me every lil thing you got for me  
I want everything you got for me every lil thing you got for me  
I want everything you got for me every lil thing you got for me  
I want everything you got for me

Every lil thing every lil thing every lil thing Baby from wat you told me you can give every lil thing  
And baby from wat you show me instead of going out you can bring the world to me

See I don't had it all and now I'm lookin' for more

So can you provide what's inside can you hold me mine and give me [Chorus] I'm just a girl that looks for nuttin  
but the best and more

And I don't think that I'll run 'cause I just want to find somebody I can give my all

And all them other things, money, friends

Its nice to see but it ain't enough for me 'cause I would want all of you I need you to love me too and give  
me [Chorus] I ain't talkin bout your money baby

I ain't talkin bout your cars and thangs

I'm talking bou the love and thangs

And how you make me say your name [Chorus] Can you give it to me

Can you give it to me

Can you give it to me

Can you give it to me

Can you give it to me

Can you give it to me

Can you give it to me

Can you give it to me [Chorus]
