Dreamer

Soraya

It's just a feelin' comin' over me
It don't matter where I'm headin see
I got a fever that can't be broken
I'm burnin' up with loveWhat is gonna be is gonna be, don't stop me now
'Cause I'm a dreamer
Had enough of your reality, don't mess with me
'Cause I'm a dreamerWhoa, ah, oh
Eo, eo
Whoa, ah, oh
Eo, eoDon't need a doctor, I got the remedy
Got no illusion, I'm where I wanna be
Yes, I'm a junkie, this magic potion
Is burnin' up with love
(Burnin' up, burnin' up)What is gonna be is gonna be, don't stop me now
'Cause I'm a dreamer
Had enough of your reality, don't mess with me
'Cause I'm a dreamerWhat is gonna be is gonna be, don't stop me now
'Cause I'm a dreamer
Had enough of your reality, don't mess with me
'Cause I'm a dreamerWhoa, ah, oh
Eo, eo
Whoa, ah, oh
Eo, eoClose your eyes
Breathe in
Say goodbyeWhat is gonna be is gonna be, don't stop me now
'Cause I'm a dreamer
Had enough of your reality, don't mess with me
'Cause I'm a dreamerWhat is gonna be is gonna be, don't stop me now
'Cause I'm a dreamer
Had enough of your reality, don't mess with me
'Cause I'm a dreamer
