[Verse 3 - Drake]
Went from my nigga serving it by the tele to venues in Manchester
Just swerving with Balotelli the fuck are you trying to tell me
Bothers me when you got to play therapist
That shit's embarrassing
They even bring up these niggas make a comparison
They just got to forgive me, this watch is a 150
Still ain't got the time for a bitch to be acting iffy

Running through the city with niggas I'd give a kidney
Selling under 150 you niggas got to be kidding
Is this even still a discussion?
Don't you ever wake up disgusted
Every million I gain an enemy or a cousin
And people's feelings have changed ever since I became something
Girls that becoming ladies, and my friends are having babies
And babies are dropping dead in my city, this shit is crazy
And I don't know if speaking on it helps
This is shit that's on my mind I just keep it to myself
You know
[Bridge - Aaliyah]
Can you talk to me,
Let's talk about it (Talk About It)
Tell me what you need,
Just tell me baby (Tell Me Baby)
(Yo What's Up)
Said I,
Would like to know (So Talk To Me)
Need your love x2
Sometimes you are, all alone
Need your love x3
But there's no doubt (No Doubt I)
So look don't just shut me out (You Know)
Cause that's not what loves about
Tell me why
[Bridge 2 - Aaliyah]
Yeah x7 (Yeah Yea)
Yeah x7
No I can't ( Ooh Baby)
Came too far
Yeah x6
To give up (Gotta Try)
Cause I,
I can't do it on my own (Oww Ooh)
Can you talk to me (Can You Talk To Me)
Tell me what you need (Tell Me What You Need)
Can you talk to me (Can You Talk To Me)
Tell me what you need (Tell Me What You Need)
Tell Me What You Need x9
