Yesterday

The Cathedrals

Yesterday things were different
Today they're different again
Jesus will never change
Jesus is always the sameThe sparrow will find a new dwelling
The eagle will change its nest
But I'm holding on the changeless One
And I'm leaning on His breastThe river will change, change its course
The mountains may crumble and fall
Time will leave its mark, they say
Upon us one and all
Yesterday things were different
Today they're different again
Jesus will never change
Jesus is always the same
