Dead Wrong

Seconds Away

Advisory - the following lyrics contain explicit language:

Ain't gonna stop for no one
So cut the air, and watch me drown
Another round in this gun
Now if only I could put itDOWN
Straight to the bottom
NOW
Right where we want it
YEAH
I got a new way to lose, with a bottle full of whiskey, and a plan to abuseOne track minded, on my own
I'm killin' sixteen - with the same damn stoneI'm ridin' on a little bit of reckless
I'm livin' like I'm ready to die
I'm on the - familiar path of self-destruction
I'm afraid I'm losin' my mind
Can't see through the smoke
Can't breathe, so I choke
Oh, yeah I think I'm burnin' alive
It's goin' down, down, down
'Cause this house is on fire
They'll never take me aliveI'm rollin' high to throw down
Yeah I guess I'll never learn
To tell the truth, I'm hell bound
So set it up and watch itBURN
Down to the bottom
NOW
Right where we want it
YEAH
I've got a new way to lose
With a bottle full of whiskey
And a plan to abuseOne track minded, on my own
I'm killin' sixteen - with the same damn stoneI'm ridin' on a little bit of reckless
I'm livin' like I'm ready to die
I'm on the - familiar path of self-destruction

I'm afraid I'm losin' my mind
Can't see through the smoke
Can't breathe, so I choke
Oh, yeah I think I'm burnin' alive
It's goin' down, down, down
'Cause this house is on fire
They'll never take me aliveThey'll never take me aliveI'm ridin' on a little bit of reckless
I'm livin' like I'm ready to die
I'm on the - familiar path of self-destruction
I'm afraid I'm losin' my mind
Can't see through the smoke
Can't breathe, so I choke
Oh, yeah I think I'm burnin' alive
It's goin' down, down, down
'Cause this house is on fire
They'll never take me aliveI'm ridin' on a little bit of reckless
I'm livin' like I'm ready to die
I'm on the - familiar path of self-destruction
I'm afraid I'm losin' my mind
Can't see through the smoke
Can't breathe, so I choke
Oh, yeah I think I'm burnin' alive
It's goin' down, down, down
'Cause this house is on fire
They'll never take me aliveThey'll never fuckin' take me alive
