

# Down (Dirkse Remix)

Jay Sean

Baby are you down down down down down, down, down  
Even if the sky is falling down, down, down You oughta know, tonight is the night to let it go  
Put on a show, I wanna see how you lose control  
So leave it behind cause we have a night to get away  
So come on and fly with me, as we make our great escape So baby don't worry, you are my only  
You won't be lonely, even if the sky is falling down  
You'll be my only, no need to worry  
Baby are you down down down down down, down, down  
Baby are you down down down down down, down, down  
Even if the sky is falling down down down Just let it be, come on and bring your body next to me  
I'll take you away, hey, turn this place into our private getaway  
So leave it behind cause we have a night to get away  
So come on and fly with me, as we make our great escape (So why don't we run away) So baby don't worry,  
you are my only  
You won't be lonely, even if the sky is falling down  
You'll be my only, no need to worry  
Baby are you down down down down down, down, down  
Baby are you down down down down down, down, down  
Even if the sky is falling down Even if the sky is falling down like she 'posed to be  
She gets down low for me  
Down like her temperature, cause to me she zero degrees  
She cold, over freeze  
I got that girl from overseas  
Now she my Miss America  
Now can I be her soldier please  
I'm fighting for this girl  
On a battlefield of love  
Don't it look like baby cupid sendin' arrows from above  
Don't you ever leave the side of me  
Indefinitely, not probably  
And honestly I'm down like the economy, yeah So baby don't worry, you are my only  
You won't be lonely, even if the sky is falling down  
You'll be my only, no need to worry  
Baby are you down down down down down, down, down  
Baby are you down down down down down, down, down  
Even if the sky is falling down
