You Don't Bleed For Me

Killswitch Engage

That is something that had changed
Corrupted in your ways
Beside your contradictions
This walk we're searching has been grazed
Structured and dismayed
But you have all the answers for me

It's clear to me now
You're not what you claim
You don't speak,
You don't speak for me
There is no mistake
It's written on your face
You don't bleed
You don't bleed for me
Bleed for me!

When all must fall from your eyes
We see truth behind the lies
I don't believe a word you say

It's clear to me now
You're not what you claim
You don't speak,
You don't speak for me
There is no mistake
It's written on your face
You don't bleed
You don't bleed for me
Bleed for me!

Firefly of righteousness
But underneath of this deviousness
Screaming lies
Don't pretend to know me
Martyr of disgrace
With your plastic smile
I don't believe a word she says
Don't speak for me
You don't bleed

You don't bleed
You don't bleed, for me!
FOR ME!

Your words betray
The life that you live is a lie
The truth remains
I see through you

It's clear to me now
You're not what you claim
You don't speak,
You don't speak for me
There is no mistake
It's written on your face
You don't bleed
You don't bleed for me
Bleed for me!
