Same Ol' Story

Dj Drama

Same fuckin story
Same fuckin storyPeople slippin' in the rain
I watch them get up again
It makes me feel like I can too
Hey, hey, hey, yeaJust when I get off the ground
Youre back tryin' to put me down
Like some simpleton you can use
Hey, heyWell, it's the same ol' fuckin story
With your two different sets of rules
The same ol' fuckin story
One for me, two for youIt's the same ol' fuckin story
I have found
It's the same ol' fuckin story
All around, yeahStill some glory in my eyes
Much to everyone's surprise
After everything you put me through
Yeah, wellFriends tell me you've been around
Big fish in a big ol' town
Gobble up all in one fair swoop
YeahWell, it's the same ol' fuckin story
With your two different sets of rules
The same ol' fuckin story
One for me, two for youIt's the same ol' fuckin story
I have found
It's the same ol' fuckin story
All around, yeahI've got my feet on tied to the beat, yeah
Still got my feet on tied to the beat, yeah
Still got my feet on tied to the beat, yeah
Still got my feet on tied to the beat, yeahStill some glory in my eyes
Much to everyone's surprise
After everything you put me through
Yeah, wellFriends tell me you've been around
Big fish in a big ol' town
Gobble up all in one fell swoop
YeahWell, it's the same ol' fuckin story
With your two different sets of rules
The same ol' fuckin story
One for me, two for youIt's the same ol' fuckin story
I have found

It's the same ol' fuckin story
All around, yeahIt's the same ol' fuckin story
Know damn well, it's true
Same ol, same ol, same ol
Same ol, same ol, oh, oh, oh, ohh, ohh, ohh
Hey hey, hey hey, hey, hey, hey, heyIt's the same ol' fuckin story
With your two different sets of rules
