Give It To You

Eve

Ha
Yo, yo, yo, yo
My love'll give it to you, girl
Deliver it to you, girl
I wanna rock with you, girl
My love I'll give it to you, girl
Just give it to me, girl
I wanna rock yo world
My love'll give it to you, girl
Deliver it to you, girl
I wanna rock with you, girl
My love I'll give it to you, girl
Just give it to me, girl
I wanna rock yo world
I heard about it happenin'
I never thought it could be
The way he looked into my eyes
What he doin' to me
He caught me by surprise
He opened up my life
He wasn't like them other dudes
I wanna be his wife
He said he got played
I told him don't be scared
My mission make you mine
Forget the rest, they ain't prepared
He said he liked my style
I said I liked his lips
He took my hand
And put them to my hips
My love'll give it to you, girl
Deliver it to you, girl
I wanna rock with you, girl
My love I'll give it to you, girl
Just give it to me, girl
I wanna rock yo world
My love'll give it to you, girl
Deliver it to you, girl
I wanna rock with you, girl

My love I'll give it to you, girl
Just give it to me, girl
I wanna rock yo world
You ever let a dude
You can't get out yo mind
You go to sleep, he in your dreams
He with you all the time
This was the way it was
Thought it was meant to be
Till I picked up the phone one night
And it was Tiffany
She said he was her dude
I said is that a fact
She said I let him go and play
But he always come back
I said that can't be true
She said it always is
I hung up, heart stuck
No relationship
My love'll give it to you, girl
Deliver it to you, girl
I wanna rock with you, girl
My love I'll give it to you, girl
Just give it to me, girl
I wanna rock yo world
My love'll give it to you, girl
Deliver it to you, girl
I wanna rock with you, girl
My love I'll give it to you, girl
Just give it to me, girl
I wanna rock yo world
Hearts keep on beatin', better take a walk, girl
Give it to you, give it to me
Me give it to you, me give it to you
Come on come on
My love'll give it to you, girl
Deliver it to you girl
I wanna rock with you, girl
My love I'll give it to you, girl
Just give it to me, girl
I wanna rock yo world
