Try My Love

Philipp Fankhauser

Try these arms, they're wanting you
Try these lips, they want you too
Try my heart, it will be true
Try my love, try my loveYour other loves, well they didn't work out
Heartache and heart break, you've gone that routeTry these arms, they're wanting you
Try these lips, they want you too
Try my heart, it will be true
Try my love, try my loveYou'd have to be deaf, dumb and blind
If you haven't seen, I've been biding my time
Try these arms, they're wanting you
Try these lips, they want you too
Try my heart, it will be true
Try my love, try my love
Try my love, try my love
