Talk More Talk

Paul McCartney

A master can highlight the phrases
Sleazy instruments, half-talked, half-baked ideas
The window was open, outside was a spaceship
It took off into the sky leaving a trail of smoke behind itShort of the standard, was it the sun?
What was rehearsal? Conventional drum?
Not quite a hundred, less that a ton
Clearly, the time came, the plan had begunWith talk, more talk, chat, more chat
Words of a feather are worn in a hat
Talk, more talk, chat, more chat
I'm happy to do it for youDeveloped since earlier days at the school
Cheapest sensations were used as a rule
Outstanding to memory, major free flow
Bio-degradable, look out belowFor talk, more talk
Oh, I love to hear the gentle sound
Of conversation sprinkled around
A room where I can be at one with youFor talk, more talk, ch-ch-chat, more ch-ch-chat
Words of a feather are worn in a hat
Talk, more talk, chat, more chat
I'm happy to do it for you, I'm happy to do it for you
I'm happy to do it for you
I'm happy to do it, I'm happy to do it, I'm happy to do it for youDigital organ, finishing stretch
Instrumentation, analogGretsch
Not quite a thousand, lower than that
Possible bargain for listening at thatTalk, more talk, chat, more chat
Words of a feather are worn in a hat
Talk, more talk, chat, more chat
I'm happy to do it for youAll he wants is a handyman and all he wants is quick service
Because I'm a house owner, I'm a house owner
It may be worth something someday
I hear water going through the pipes
I dont actually like sitting down music, music is ideasTalk, chat, talk, chat, talk, chat, talk, chat
Talk, more talk, chat, more chat
Words of a feather are worn in a hat
Talk, more talk, chat, more chatTalk, more talk, chat, more chat
Words of a feather are worn in a hat
Talk, more talk, chat, more chatTalk, more talk, chat, more chat
Words of a feather are worn in a hat
Talk, more talk, chat, more chatA master can tell
Highlight the phrases his words to digress

Grey flannel trousers, grey flannel trousers
A blazer and grey flannel trousers
