Vitas

I built a home
Where I am all alone
The door has closed behind me
The autumn wind's calling my name
Crying on me again
Morning in mist
Thunders at night
The sun got cold and I am
alone in here with other friend
but my endless pain

I built a home
Where I am all alone
the door has closed behind me
the autumn wind's calling my name
Crying on me again
This is my fate and I accept
There's nothing I can change
but I foresee how after me
winds would start howling again...
