# No Future In The Past

## Vince Gill

I lie here tonight in the darkness
I've never felt so alone
Tomorrow I'll wake up still lonesome
'Cause things haven't changed since you've goneYou walked out with angry words spoken
Your leavin' cut right to the bone
I'll pick up the pieces you have broken
Find the strength to go onI still remember
My arms once held her
How long do old memories last?Why can't I forget it?
Can't I admit it?
There ain't no future in the pastI still remember
My arms once held her
How long do old memories last?Why can't I forget it?
Why can't I admit it?
There ain't no future in the pastWhy can't I forget it?
Why can't I admit it?
There ain't no future in the past
