WWIII

Rufus Wainwright

World war three
Between you and me
Under sheets
The land and the seaAnd everybody wants a piece of the action
Everybody wants a piece of the actionDon't bore us
Get to the There's so much more to come
The battle's back in the saddle
Just turn your back and run
Away from the guns
Away from the guns
World war two
Was good for me and you
It was won
Despite world war oneAnd everybody got a piece of the action
Everybody got a piece of the actionDon't bore us
Get to the There's no more blood to run
They're gearing up for a beating
Just face the hills and run
Away from the guns
Away from the gunsThe times we live in are very unforgiving
Run away, run away, run away
The times we live in are very unforgiving
Run away, run away, run away
The times we live in are very unforgiving
Run away, run away, run away
The times we live in are very unforgiving
Run away, run away, run away
