Make Me Smile

Steve Harley

You've done it all, you've broken every code and pulled the rebel to the floor
You spoilt the game, no matter what you say for only metal - what a bore!
Blue eyes, blue eyes, how come you tell so many lies?
Chorus: Come up and see me, make me smile
Or do what you want, run on wild
There's nothing left, all gone and run away
Maybe you'll tarry for a while
It's just a test, a game for us to play win or lose, it's hard to smile
Resist, resist, it's from yourself you have to hide
Chorus
There ain't no more, you've taken everything from my believe in Mother Earth
Can you ignore my faith in everything when i know what Faith is and what it's worth
Away, away, and don't say maybe you'll try
