You and You Alone

Randy Travis

When this old world gets me down and life's a chain I drag around
When I can't find a ray of hope to help me sooth my worried soulOnly you and you alone can turn the darkest night into dawn
The only reason for hanging on is you and you aloneHolding you close to me, gives me all the strength I need
Then I wake up, it's just a dream, all that's left are memoriesOf only you and you alone can turn the darkest night into dawn
The only reason for hanging on is you and you alone
My only reason for hanging on is you and your alone
