Radiohead

Silence, like a whisper
Maybe tomorrow it won't be here
So tomorrow we could teach them
Some new stylesYou're such a killer
So shoot me down again
It won't hurt when the killing
Is done by a friendSilence, like a whisper
So this is all we need
The fully air conditioned sound of speedA violent whisper
And this time it's for real
So this day I made plans for us to leaveSilence, why won't you listen
Maybe it's just me
But sometimes it's impossible to breatheA violent whisper
Maybe this time it won't heal
Maybe this time it will bleed until I'm free
