Play With Fire

Cobra Verde

I can't believe it's really you
Been so long, you look good
I hear you're doing really well
Don't ask me, let me tell you
How I've been since when you left
Since you left me for deadFinally every tear has dried
I've wiped you from my lifeDo you remember all the times you said you'd call me
'Cause I remember all the reasons people warned meAnd now I hear you saying that you still adore me
But if you think I'd ever get with you again
Then you can justLove me, love me
Feed the flame
If you want me back againBurn into the sky
Higher and higher
Baby, can you play with fire(Burn into the sky)
Love me, love me
(Far into the sky)
If you want meYou never know just what you got
'Til it's gone, you freak out
But I'm not falling for that game
Boys like you never change
You made me feel I wasn't enough
Wasn't enough for your loveBut it was insecurity that made you run
It wasn't meSo don't you sit there trying to
Give me more excuses
I don't have time for this
I'm off to play in Houston
And I'm too busy with the millions things I'm doing
You can't make up for what you've done
But you still try to be the oneLove me, love me
Feed the flame
If you want me back againBurn into the sky
Higher and higher
Baby, can you play with fire(Burn into the sky)
Love me, love me
(Far into the sky)
If you want meOoh, by the way, by the way
I've found someone who gives me space
Keeps me safe
Makes me sane

Found someone to take your place
Now I'm safe in his arms
And I decided only he can play with fireLove me, Love me
Feed the flame
If you want me back againBurn into the sky
Higher and higher
Baby, can you play with fireI can't believe it's really you
(Love me, love me)
I hear you're doing really well
(If you want me)
Finally every tear has dried
(Love me, love me)
Can boys like you, boys like you
Play with fire..
