Ice Cream Man

Van Halen

Dedicate one to the ladies
Now summertime's here, babe, need somethin' to keep you cool
Ah, now summertime's here, babe, need somethin' to keep you cool
Better look out now though, Dave's got somethin' for you
Tell you what it is
I'm your ice cream man, stop me when I'm passin' by
Oh, my my, I'm your ice cream man, stop me when I'm passin' by
See now all my flavors are guaranteed to satisfy
Hold on a second, baby
I got bim bam banana pops, dixie cups, all flavors and pushups too
I'm your ice cream man, baby, stop me when I'm passin' by
See now all my flavors are guaranteed to satisfy
Hold on, one more
Well, I'm usually passin' by just about eleven o'clock
Uh huh, I never stop, I'm usually passin' by just around eleven o'clock
And if you let me cool you one time, you'll be my regular stop
All right, boys

I got bim bam banana, dixie cups, all flavors and pushups too
I'm your ice cream man, stop me when I'm passin' by
See now all my flavors are guaranteed to satisfy, yes
I'm your ice cream man, stop me when I'm passin' by
I'm your ice cream man, stop me when I'm passin' by
They say all my flavors are guaranteed to satisfy
Ah, one time
I'm your ice cream man, stop me when I'm passin' by
I'm your ice cream man, stop me when I'm passin' by
They say all my flavors are guaranteed to satisfy
One time, boys
I'm your ice cream man, I'm your ice cream man
B-b-baby, ah my, my, my
All my flavors are guaranteed to satisfy
Oww!
