verse 1:
in this world of sorrow
and broken dreams
i found a place where i can hide..
in the depth of your charms is all i need to know
is if i could spend my life with you.

i could never let you go
things that we have done..
i will always love you so..yeah

to make everything come true
hold me closer for ever i love you..

if i...
could spend my life
forever in your arms...
would you let me ? 2x]
lead me into your arms
and i'll be happy to hold you
once again...ohh
