

I Don't Wanna

Lower Class Brats

I dont wanna work
I dont wanna sleep
I dont wanna stand on my own two feet
I dont wanna laugh
I dont wanna cry
Ive set my emotions to the side I dont wanna- I dont wanna
I dont wanna do anything 'cause youre shit
and hes shit
well shes shit
were all fucked I dont wanna go
i dont wanna stay
i couldnt care less anyway
i dont wanna fuck
i dont wanna score
i dont wanna live my life no more
